

Zone 2 Course Rating Report Fall 2023

This was a busy summer for me. BC Golf has now asked our rating teams to rate each of our assigned courses for both men and women. That means that we are taking measurements for 7 or 8 tee boxes at each hole on each course. A new on-course rating sheet is being developed, but it was not ready for this summer.

We rated 3 courses in our area in June: Gallagher's Pinnacle, Gallagher's Canyon and St. Andrews by the Lake. In July, we rated Princeton.

Later in July, Sheilagh Livingstone and I went to the East Kootenays to rate Fernie and Purcell (Kimberley).

In September, Linda Rivard and I rated Sagebrush Golf Course near Merritt.

Our rating team has been fairly stable for several years, but with changes coming from BC Golf, our work is changing as well.
