

## **Zone 2 Women's Committee**

### **RULES AND HANDICAP REPORT — October, 2021**

Over the past year, I received several emails and phone calls regarding rules and handicap questions.

Zone 2 women referees worked at the Zone 2 Junior Championships held at Gallaghers; BC Women's Amateur at Summerland, and BC Senior Women at Revelstoke. Thank you, ladies — Rosie Lawrence, Lynn Tate, Heather Hymeyer, and Barb Silvester.

Thank you to the volunteers who hosted and worked at these events — Gallaghers, Summerland, and Revelstoke. Volunteers are the backbone for making the championships a success. Many thanks.

Unfortunately, the Zone 2 Women's Championships were not held at Salmon Arm due to CoVid regulations. Next year! Salmon Arm will host us on May 29 and 30.

Rules of Golf books — the current edition is still valid for another year. If you are needing books, you can check with BC Golf if they have some. The books are also available from Golf Canada.

2022 Handicap and Rules Seminars — they will be listed under Workshops on the BC site when arrangements are completed. [britishcolumbiagolf.org](http://britishcolumbiagolf.org)

Level 1 Rules is available on the Golf Canada website under Rules.

Have a great winter; and we look forward to seeing you at the Captains' meeting on Monday, April 11 at the Kelowna Golf and Country Club.
